

**INITIALLY LICENSED TEACHER-VETERANS WITH 27 OR MORE YEARS  
COACH/SPONSOR AGREEMENT**

**Elkin City Schools  
2013-2014 SCHOOL YEAR**

Initially licensed teachers and teachers with 27 or more years' experience (exempt teachers) may not be assigned extracurricular duties unless they request the assignments in writing.

**Extracurricular Duties Defined.**

Extracurricular duties include those duties performed by a teacher outside the regular school day that involve students and are not directly related to the instructional program. Examples of extracurricular activities for which consent is required include such things as coaching duties, taking tickets at sporting events and acting as a faculty sponsor for a student club. Extracurricular duties do not include such things as time spent in parent-teacher conferences or activities related to courses taught by the teacher, such as band concerts that are performed as a part of band class.

I, \_\_\_\_\_, request permission to serve as a coach/or sponsor for the Elkin City Schools in addition to my classroom assignment. I will coach/sponsor the \_\_\_\_\_ team/club during the current school year.

I fully understand that serving in this capacity is completely voluntary and must be approved by the Superintendent or his or her designee and by my Principal. I also realize this request may be denied or revoked by the administration or the superintendent at any time it is felt that I am not progressing toward earning my permanent North Carolina Teaching License, fulfilling the obligations of my professional position, and/or if my performance as a classroom teacher is negatively affected due to my extracurricular duties.

I fully understand that my employment with the Elkin City Schools Board of Education rests totally on my performance as a professional educator, completing all tasks and assignments of my position, and/or being able to earn and renew my permanent teaching license.
